Autumn Term 1
Year 3

Computing and e-safety

Computing – We are Programmers.

The children will learn to design, write and debug programs that accomplish specific goals.

Modern Foreign Languages

Spanish

Children are introduced to phonetics and early language (Greetings, colours and numbers)

Science

Forces and Magnets.

This unit teaches the children how forces work and allows them to investigate how magnets attract or repel.

Cornerstones

Through the Ages

This project teaches children about British prehistory from the Stone Age to the Iron Age, including changes to people and lifestyle caused by ingenuity, invention and technological advancement. We will be using IT to gather relevant research, we will also have the opportunity to create clay pots related to the 'Beaker Folks', and Jewellery related to the Iron Ages.
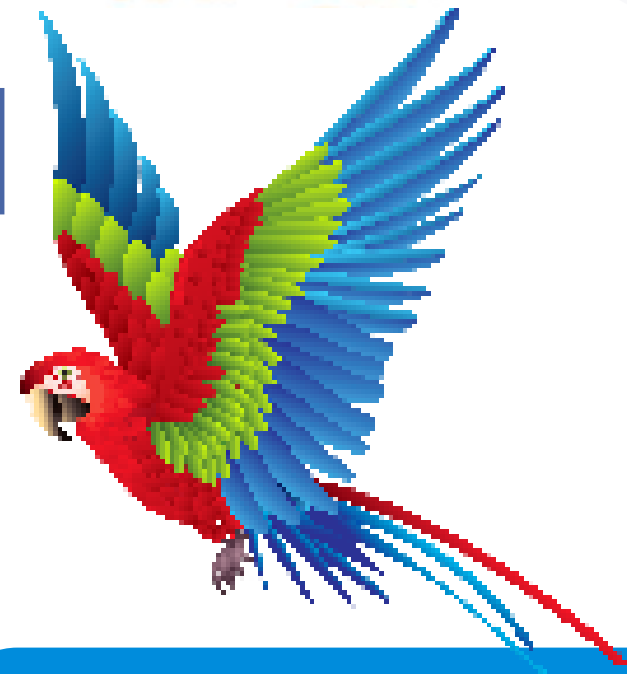

How can you help at home?

Read with your child **every day.** The more words that children read/hear, the better they will perform in all areas of the curriculum. You can support them by asking questions like "What do you think will happen next? Why do you think the character said that? What does that word mean?" Encourage them to use an online dictionary to look up words they have never seen before.

Check your internet security settings. Did you know you can set the internet to only be accessible at specific times from certain devices? We are more than happy to help with this – please contact the school office for support.

Play online maths games such as TTRS or Hit the Button to improve maths fluency and recall.

Help your child to be independent by encouraging them to pack their school bag the night before school – ensuring they have their reading record book, school reader and any other equipment they might need.

English

Whole class reading
Stone Age Boy. By Satoshi Kitamura

Writing opportunities
Instruction text
Using speech marks
Diary entry

RE

Creating Unity.
Exploring how we are the same or different to everybody else.

Participating.
What is good about taking part, importance and values.
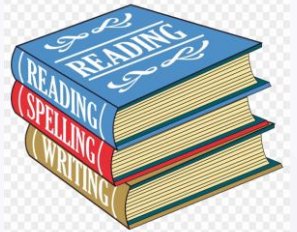

PE

Year 3 Sports
Handball and Cricket

RHE/PSHE

Being my Best
This unit teaches children how to set goals and develop positive strategies to help them achieve their potential through a growth mindset approach.

Music

Weekly whole school singing assembly

Chilwell Croft Academy
All Different, All Equal, All Achieving
