English

Whole class reading

We will be studying different text types and practicing the skills required to be an outstanding reader.

Class Reader

Malanader- Thomas Taylor

Writing Fiction

Narrative Alma

Non-Fiction

Non-chronological reports
Balanced argument
Letter

Science

In science this term we will be exploring the unit: Animals, including humans. Here, we will be exploring the systems of the human body

The unit after this will be Light. This is where we will explore the scientific reasons why we can see things.

History and Geography

In History, we will continue to look at the history of migration to Birmingham. Children will have the opportunity to listen to people's reasons for migrating and how they feel about living in Birmingham

In Geography, We will be exploring the continent of North America. This will include biomes, climate zones and weather patterns. We will also look at the human and physical geography of the whole continent. We will then compare and contrast it with our prior topic of South America.

Music

Singing Assembly will take place on Wednesday mornings.

Welcome!

We are finally in the final term of Year 6 and have lots of exciting things ahead of us!

Your children have been working extremely hard all year long and now is the time to reap the rewards of their efforts.

All Year 6 children will be sitting their KS2 SATs in the week commencing 13th May. The dates for assessment are as follows:

- **Monday 13 May 2024:** English grammar, punctuation and spelling papers 1 and 2
- **Tuesday 14 May 2024:** English reading
- **Wednesday 15 May 2024:** Mathematics papers 1 and 2
- **Thursday 16 May 2024:** Mathematics paper 3

Other key dates:

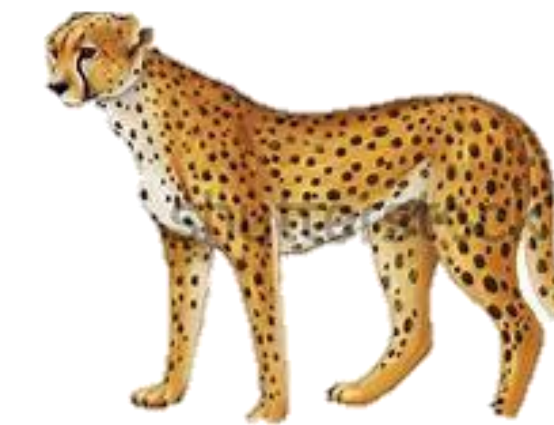

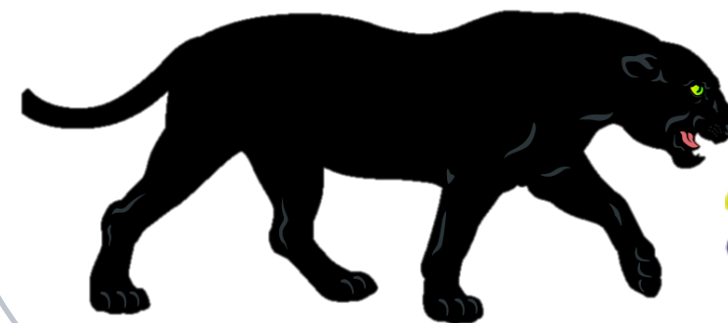

Year 6 residential: Wednesday 26th June – Friday 28th June

Ninja Warrior Walsall: Charming Cheetahs-Friday 5th July and Powerful Panthers-Friday 12th July

Summer, 2024

Year 6

Chilwell Croft Academy
All Different, All Equal, All Achieving

Art and DT

Projects linked to food, celebrating cultures and finding a voice through Art.

PE

P.E is on week 2, Wednesday
The lessons will be on cricket, tennis and athletics

Hopefully the warmer weather will mean more PE outdoors!

Life Education

Transition to Secondary School.
Rights and respect- the impact of social media and how to use it safely and discern fiction from reality.

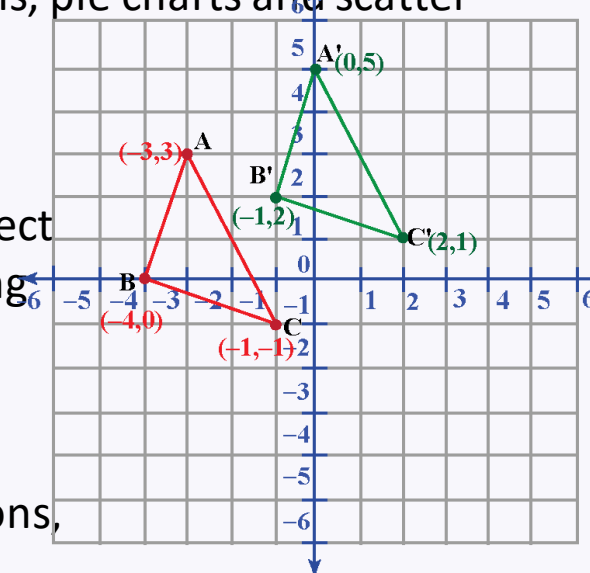

Mathematics

In Maths this term, we will be focussing on Geometry: Position and Direction and looking closely at area and perimeter of quadrilaterals.

We will be looking at data analysis and the different ways in which data can be represented e.g. line graphs, pie charts and scatter graphs.

We will also be exploring algebra! We will use this new knowledge and connect it with everything we have learnt during our time at Chilwell.

Finally, we will continue to develop our understanding of the four operations, Place value, fractions, decimals and

MFL

Mandarin

Children will learn how to talk about their families in Mandarin. They will also learn about food and drink

RE

In 'Being Curious and Valuing Knowledge': Exploring the importance of knowledge and Holy Scriptures and belief in God

In 'Being Reflective and Self Critical': Exploring the concept of salvation, reincarnation and the concept of Moksha
