All Different

All Equal

All Achieving

Message from the Headteacher - Mrs. Nanette Wragg

Dear Chilwell Families,

Welcome back to school for our first week of the summer term. As ever we have been busy at school and the traditional season of school trips has begun.

Year 3 enjoyed their visit to Birmingham's Wildlife Conservation

Park particularly seeing the animals, meerkats and red panda being particular favourites.

Year 2 pupils also visited Aston Villa's ground and enjoyed the opportunity to practice their skills at a Premier League Venue.

Our younger Year 2 pupils have been involved in Maths and Reading assessments this week. They have been fabulously positive tackling the work and have shone everyday in their learning and behaviour; we are all very proud of them.

Phonics assessment will begin on Monday for our Year 1 pupils; the children really enjoy their phonics work and we know that they have learnt the skills to tackle the words revealed to them next week!

And finally! Huge congratulations to all of our Year 4 pupils who have done tremendously well in the National Multiplication check.

Have a great weekend all - keep reading!

Mrs. N Wragg

LEGO Build and Talk

LEGO® have created Build and Talk to help you chat to your child about online safety. The activities have been created for children ages 6 to 9.

Firstly, you pick an activity to do and then you read a story, which includes questions and conversation prompts, whilst you build LEGO® together.

This is a fantastic way to start talking to your child about topics such as screentime and cyberbullying.

Find out more here:

Year 2 Football Festival

Selected children from Year 2 were picked to visit Aston Villa's football ground. The children had an amazing time practicing their football skills and competing with their fellow classmates.

Year 3 Birmingham Wildlife Conservation Park

Year 3 had a fun packed day at Birmingham's Wildlife Conservation Park. The children explored the centre and learned some fun facts about the animals in the park.

National Phonics Screening Check 2024

From Monday 10th June all children in Year 1 will be taking part in the National Phonics Screening Check 2024. This check recognises your child's phonics knowledge and allows us to identify their current reading ability in line with the National Curriculum. Each child will sit comfortably in a quiet space with Miss Hickin and will attempt to read 40 words. These words are a mix of 'real words' and 'nonsense words', all decodable in line with our phonics programme Read Write Inc. Every child is encouraged to spot the 'Special Friends' in the word and 'Fred Talk' (segment) the word to ensure they read each word accurately. Children have been practising previous checks throughout the year, so this format isn't new to them. The children have also been given some to practise at home, **please allow 5 minutes each day** for children to practise 'Fred Talking' these words each day over the next 2 weeks.

Year 5 RSHE Parent Workshop

On Thursday, we welcomed Lana Gaskin a RHE Educational Consultant and long-standing friend of Chilwell Croft, to lead our Year 5 RSHE Parent Workshop.

There were opportunities to look at the resources which will be used with our Year 5 pupils and ask questions.

Thank you to our families for attending.

Reception - Caterpillars

This week in Reception, the children have been reading 'The Very Hungry Caterpillar' in class and have had a surprise visit from some caterpillars which the children were ecstatic to see.

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many games which we believe trusted adults should be aware of. Please visit nationalcollege.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about

ROBLOX

Roblox is one of the most popular video games on the market. By 2020, the game's makers were claiming that more than half of children in the USA play it. As a 'sandbox' title, Roblox offers a huge amount of creative freedom: it lets players create their own gaming experiences with the Roblox Studio to build custom levels and games, which can then be shared with other players online. Roblox fosters creative thinking and enjoys a robust online community of fans.

WHAT ARE THE RISKS?

CONTACT WITH STRANGERS

Roblox encourages players to communicate online (including a group chat facility). This could expose children to risks such as scammers, online predators, harassment, griefers and more. The in-game chat has some filters, but isn't perfect: players can still send harmful messages to others - such as general hostility - while predators can reach out to children directly.

PUBLIC SERVERS

Roblox has private or VIP servers which allow people to play exclusively with their friends, but this costs money. Most Roblox players will instead be on public servers that anyone can join. Servers can host games which focus on all kinds of aspects, including direct player interaction. Some games and servers, therefore, will put children more at risk of contact from strangers than others.

ONLINE DATERS

These are also called 'ODers' and are quite common in Roblox. An ODer is an individual who joins a game with the intention of finding someone to date online - and eventually meet in person. Such online dating is against the Roblox community guidelines, but this usually doesn't deter ODers. Some players built Roblox game worlds have even been designed with online dating specifically in mind.

IN-APP PURCHASES

Roblox is actually free to download and play, but bear in mind that there are some hidden costs. Players are encouraged to make purchases in the game, for example, using real money. People can also buy extra Robux (the in-game currency) to spend on cosmetic items in the game, and some private or VIP servers also have a cost.

Advice for Parents & Carers

SET PARENTAL CONTROLS

Roblox comes with several parental control options, which are explained well on the game's official website. It's essential to enter the correct date of birth for your child, as that allows Roblox to automatically apply the appropriate chat filters. The game also allows parents and carers to set monthly spending restrictions and monitor their child's account.

DISABLE PRIVATE MESSAGING

Roblox's private messaging function raises the risk of children being contacted by people they may not want to speak with - potentially leading to bullying, harassment, toxicity and scam attempts. The game allows you to disable messages from anyone who hasn't been added as a friend on your child's account.

PRIVATE SERVERS

If your child has genuine friends who they play Roblox online with, paying for a private or VIP server decreases the risk of contact from strangers. Even then, however, some players could invite other people - who might not necessarily be child friendly - into the private server. If your child is a Roblox fan, it's important to talk with them regularly about who they are playing the game with.

MONITOR SPENDING

If they don't understand they're using real money, it's easy for children to accidentally spend a sizeable amount in the game. Using parental controls to place limits on their spending will help avoid any nasty financial surprises. Ensuring that you have two-factor authentication on your payment accounts also makes it harder for your child to spend money inadvertently.

DEALING WITH STRANGERS

At some point in their development, your child will need to learn how to deal with strangers online. Show them how to block and report any users who are upsetting them or asking uncomfortable questions. Talking to them about what's OK to discuss - and what they should never tell a stranger online - will help them understand how to communicate with others safely in the digital world.

National Bike Week

What is Bike Week?

Bike Week is the UK's biggest awareness-raising moment of the year for cycling and a chance to celebrate. It's a time to remind ourselves of all the positives that riding a bike can bring, both to our own health and wellbeing, as well as the wider impacts on our communities and the planet.

This year, Cycling UK wants to celebrate cycling as a force for good. We want to celebrate all those who cycle and encourage and enable more cycling, as we know that when more people cycle, we all become happier, healthier, greener and more connected.

Be a #BikeHero this Bike Week

Together we can build a happier, healthier and greener world through cycling – and you don't need to wear a cape to do it!

Being a #BikeHero helps to:

Save the planet

Reduce emissions, increase air quality and protect nature

Save money

Cycling is one of the most cost-effective ways to get around

Save stress levels

Get outside for fresh air, freedom and a great work-out for your mind and body

GIGANTIC ROB BIDDULPH WEEKLY BOOK REVIEW – MR GIBLEN

Gigantic by Rob Biddulph is a heartwarming tale that casts a vast net, capturing themes of perseverance, friendship, and self-belief in a vibrantly illustrated, marine-filled adventure perfect for the primary classroom.

Biddulph transports the reader into an ocean teeming with life, where we meet our unlikely hero, Gigantic, the smallest blue whale in the stormy Atlantic. Despite his size, Gigantic's journey is one of might and mettle, where his diminutive stature in the ocean's vastness doesn't deter his big-hearted valiance.

The rhythmical prose lends itself beautifully to read-aloud sessions, with the alliterative play and evocative imagery poised to capture children's imaginations. Biddulph's illustrations are equally engaging, using a palette that mirrors the stormy yet spirited oceanic setting. Beyond the narrative, the book serves as a springboard for discussions on marine life, ecosystems, and the importance of determination. It illustrates that even the smallest creature has value and strength, a message that resonates with children navigating their place in the world.

'Gigantic' aligns well with lessons focused on resilience and teamwork. It also provides ample opportunity for cross-curricular activities, from exploring oceanography in science to creative writing tasks inspired by Gigantic's aquatic escapades. 'Gigantic' is a tale of little fins and a lesson in big hearts and the power of believing in oneself. It's a testament to the notion that no one is too small to make a difference, making it a standout addition to any educational setting or library.

Reading to Your Child

It might seem like everything has gone digital, but books still play a very important part in school life. As well as giving your child a head start, developing a love for reading.

- Make book and stories part of everyday life
- Building a reading story into a routine e.g. a story at bedtime
- Stick your feet up and let your child see you reading a book
- Go to the library so your child can choose some books to borrow for free
- Read in fun places e.g. a den made from blankets
- Give books as a birthday gift - this will show you value them
- Keep books in your bag or the car.

Reading Diary Expectations

"Evidence suggests that children who read for enjoyment everyday not only perform better in reading tests than those who don't, but also develop broader vocabulary, increase general knowledge and better understanding of other cultures

In fact, reading for pleasure is more likely to determine whether a child does well at school than their social or economic background" (Pearson, 2021)

Here at Chilwell Croft, we place a high importance on daily reading, each child is provided with a reading diary and books to take home. we ask that the reading records are signed off daily and brought into school where they will be collected in, checked and signed off by an adult. This is a non-negotiable expectation.

Holiday Request

Parents are required, under the Education Act (1996) to ensure children attend school regularly. The Headteacher of a school has a discretionary power to authorise absence only in exceptional circumstances. **A family holiday is not an exceptional circumstance.** If you complete a leave of absence request form and the request is declined, (as it will be in the majority of cases) and you still take your child out of school, each parent within the household will potentially be issued with a £60 penalty notice for **each** child you have taken out of school.

How We Can Help:

We understand that there are times when it is more difficult to encourage pupils to attend school. There is much that we can do together in partnership to improve attendance. Please contact school to arrange a time to chat with our pastoral team. We can talk through the strategies and support that we can give to make things better. Working together will ensure that your child is supported. Please pop into the school reception, chat to staff on the playground, or talk to a teacher at the end of day.
