

## Communication and Language

- Retelling the stories we are learning, using story vocabulary.
- Describing the location of objects using positional language.
- Applying sequencing terms to arrange the steps of a journey.
- Using terminology related to floating and sinking.

## Physical Development

- Letter formation of our phonics sounds.
- Dough Disco
- Writing CVC words and simple captions.
- Using good control to use small tools safely.
- Developing teamwork and co-operation skills in P.E lessons

## PSED

- Express our feelings and consider feelings of other people
- Manage our own feelings.
- Think about other perspectives.
- Manage our own hygiene needs.
- Learning to take turns in conversations and when using resources in the classroom.

## Literacy

In phonics we will:

- Continue to learn new sounds
- Read short words and then work towards reading longer sentences within books.
- Learn new nursery rhymes

The books we will be learning this term include The Great Explorer, The Gingerbread Man and The Little Red Hen.

In writing we will:

- Learn how to form our letters correctly.
- Learn how to write the initial sounds of words.
- Learn how to write short words using our phonics skills.

## Mathematics

In Maths we will be:

- Subitising
- Counting
- Exploring the composition of numbers
- Learning about 2D shapes and their properties
- Investigating mass and capacity
- Comparing sets and using language of comparison

## Expressive Art and Design

Through our topic work we will be:

- Acting out the stories we are learning with masks and props.
- Experimenting with different resources to create artwork based on the stories we are reading.

## Understanding the World

Through our theme of myths and fairy tales we will be:

- Investigating the differences between Newtown and the Arctic.
- Learning about Arctic animals
- Thinking about different transport to travel to the Arctic.
- Floating and sinking
- Tasting different forms of ginger
- Following a recipe
- Cooking gingerbread men
- Baking bread
- Talking about our families and the people we love and why we love them.

## Myths and Fairy Tales

## How you can help?

- Attending reading workshops every **Wednesday 8.40am**.
- Completing weekly phonic homework posted on Seesaw.
- Reading with your child every day and updating their journal.
- Ensuring your child brings their book bag to school every day.
