## Headteacher's Message

Mrs. Nanette Wragg

Dear Chilwell Families,

We have settled back into our school routines and learning fabulously as we begin our new Spring term. Despite Storm Goretta and our non-uniform day yesterday, it has been fantastic to see the children's positivity in class and focus in their lessons as I visited classes this week. The Spring term is a key element of the school year as we look to ensure good progress in all areas of learning.

We welcome trainee teachers into school today, as Mr. Giblen, our Year 6 teacher, is leading sessions around the importance of reading. Trainees from the Titan Partnership will be seeing our pupils at work. We are always very pleased to host these sessions, as our pupils always shine so brightly.

Whilst the storm has passed, the weather remains very cold. Please ensure pupils are wearing our winter uniform and appropriate outerwear. Please do not hesitate to contact our pastoral team if we can help in any way with this. Coats are regularly popping up in our lost property area as they do not have names on. Please help us to help you by ensuring all items of uniform are labelled.

We welcome two new members of staff to Chilwell Croft this week. Mr. Nawaz will be teaching our Fabulous Foxes class, and Miss Ali will be predominantly working with our Key Stage 2 children. They look forward to meeting all our Chilwell families.

We have a number of parent assemblies and workshops over the next two weeks. Please do check the dates for your calendar - we really enjoy meeting you all in school.

Have a lovely weekend and keep reading!

Mrs. N Wragg  
Headteacher

Everyone also enjoyed a delicious Spanish-themed lunch, which included a choice of chicken and spicy rice or roast vegetables with spicy rice.

## Attendance Prize

Here at Chilwell Croft Academy, we place great importance on excellent attendance and strive for all our children to achieve this. Regular attendance plays a vital role in supporting learning, wellbeing, and success in school.

## D&T Workshop

On Tuesday 20th January, we will be hosting a Design & Technology workshop for parents, with a focus on healthy eating. During the workshop, parents will have the opportunity to sample a range of food items and explore practical, creative ways to prepare healthy and nutritious dinners at home.

## Year 5

This week in Year 5, we focused on retrieval in Reading, with children developing their comprehension by identifying key words and using evidence from the text. In Maths, the children learned to multiply three-digit numbers by single digits using a formal written method and will next apply this to reasoning. In Computing, the children enjoyed learning about microcontrollers and demonstrated a strong understanding of coding programs used to control outputs.

## Staying Safe During Winter

During the winter months, we ask families to take extra care to keep children safe.

Please ensure children wear warm, waterproof clothing and suitable footwear, and consider high-visibility items during darker mornings and afternoons. Slippery surfaces and reduced daylight can increase risks, so extra care when travelling to and from school is appreciated.

## AR Books

We are very lucky at Chilwell to have so many avid readers and it is lovely to see how keen our children are to read the books we have in school.

Each child takes home a reading book matched to their reading ability, this maybe an Accelerated Reader book or a phonics book. They are also able to take a free reader book, this is a book that is chosen by the child to share with you at home and they may not be able to read independently. We do this to encourage a love of reading. To ensure that every child has fair access to our books we ask that they do not have more than 2 books at a time. If you do have any extra books at home please do return them.
