## Headteacher's Message

Mrs. Nanette Wragg

Dear Chilwell Families,

It has been a momentous week for the city which has a fantastic buzz from the success of the Aston Villa team in Istanbul. It was brilliant to be associated with the team as the children featured in the Aston Villa Foundation's support video on social media. As ever the pupils impressed the Aston Villa representatives with their swift learning of the song and their enthusiasm. I hope you were able to see the video; this is available on our Facebook page.

Our girls football team then followed through by representing Aston Villa at a national level for a Premier League girls tournament. Held at the Molineux stadium in Wolverhampton by all accounts this was a hugely impressive event. Ably supported by fantastic support from our Year 6 children the whole school event was memorable from start to finish! As ever the positivity and empathy shown by our team was so notable that many other teams and spectators commented on it. We are immensely proud of all of the children as you must be.

Winners of the Read it, Snap It, Share it competition have been announced today. Well done to Airah from Yr 1 Dolphins, Ibrahim from Yr 4 Lemurs, Mohammed Ibrahim from Yr 6 Cheetahs and Miss Preston for their winning entries. We wish we could reward all the pupils who participated. It was a fabulous competition with many smiles raised because of it. We will be popping photographs in the Newsletter over the coming weeks for everyone to enjoy.

Please do keep an eye out on our return, for information from the office regarding the government extension of free school meals to families who are in receipt of Universal Credit. This will come into force in September 2026, but we shall be preparing for this from June.

Have a lovely restful reading half term break. We shall all be together again on Tuesday 2nd June.

Kind Regards,  
Mrs. N Wragg  
Headteacher

## Carding Mill Valley Trip – Year 4

Year 4 enjoyed an exciting trip to Carding Mill Valley as part of their geography work on rivers. They explored the stream up close, spotting the features they've been learning about and observing how the river changes along its course. It was a great opportunity for them to bring their classroom learning to life outdoors.

## AVFC Girls Premier League National Tournament
