Our First House Assembly

We were delighted to launch our first house assembly, where the children explored what habits are and how our everyday choices affect ourselves and others. We discussed good habits, such as listening carefully, being kind, helping others and persevering, as well as unhelpful habits, such as interrupting, giving up too quickly or forgetting to use kind words. Each child was encouraged to choose one positive habit to practise and help make a difference across our school community.

Year 3/4 Football Tournament

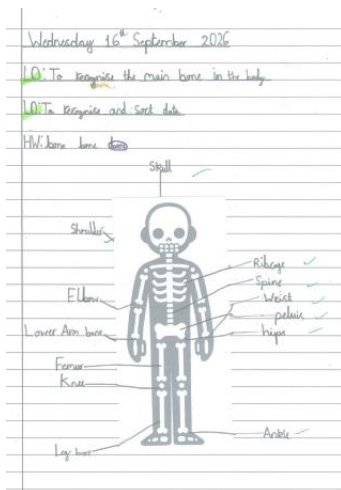

Selected pupils from Years 3 and 4 proudly represented our school at the King Edward's Football Tournament, competing against schools from across the local area. The children played brilliantly, showing fantastic teamwork, skill and determination, and we are delighted to announce that they came in first place! A huge congratulations to everyone who took part—we are incredibly proud of you all.

Student of the Week

Ramla from Year 3 Parrots has shown excellent understanding in science by confidently identifying and correctly labelling the main bones in the human body. Well done, Ramla!
